IT ENABLED SERVICES & FOR EXEMPLARY RE-USE OF ICT
BASED SOLUTIONS

TARGETED 2000 INSTALLATIONS... ..

ACHIEVED MORE THAN 2200... ..

Our Prestigious Clients, a few:

1. RAJIV YUVA KIRANALU

Rajiv Yuva Kiranalu is conceived by the Govt. of Andhra Pradesh to build job specific skills among the unemployed and place them in appropriate private jobs. To facilitate the attendance system of the trained youth to the server, we have deployed more than 1600 Biometric devices with GPRS; where in the data from the various locations in Andhra Pradesh is transferred to the central server at Hyderabad.

2. ANDHRA PRADESH HIGH COURT

The attendance system of all the employees and other Judicial Cadre of the apex court in Andhra Pradesh has computerized with the GPRS Based Biometric devices in 10 locations of the High Court Premises.

3. SERP – Zilla Samakhya Centres

All the Zilla Samakhya Centres in all the districts have been integrated with the Biometric Attendance System which transmits data to the central server in SERP, Hyderabad

4. AP RESIDENTIAL SCHOOLS

The attendance of all the teachers of 311 Residential Schools in Andhra Pradesh has been integrated to the Central Server at Hyderabad which helped the Government to monitor the punctuality of the teachers, their leave and movement management.

5. Sri Chaitanya Junior Collages

More than 60 collages in Andhra Pradesh have been installed with Biometric devices for the Staff Attendance to ensure the strict monitoring of the movement of the staff in their collages across State

6. Centre for Good Governance

CGG which is identified as a qualified agency for implementing and advising on hardware and software life cycle for Government of Andhra Pradesh, has deployed our biometric devices for monitoring of attendance of their employees

7. National Academy of Construction

We have been qualified supplier for providing the biometric devices to this prestigious organization for all their locations across Andhra Pradesh. More than 150 Offices / Centres in the state have been integrated with our Biometric devices

8. ICRISAT

The International Crops Research Institute for the Semi-Arid Tropics (ICRISAT) conducts agricultural research for development in Asia and sub-Saharan Africa with a wide array of partners throughout the world. This prestigious institute has blessed us with an opportunity for deploying our devices in their premises.

9. Greater Hyderabad Municipal Corporation

The Corporation conducts training programme for youth and place them in various organizations, through training agencies in Hyderabad. Our Biometric devices are widely accepted in these institutions for transfer of data / attendance to the central server
